We had lots of changing conditions but we managed to have lots of fun.
 A big thanks to everyone for joining us. Hope to see you in July for the US Challenge
 and the Dean Scoggin 1000 yard BPCR and military match.

Thanks
 Jim

A little rain, horrible mirage and constantly switching winds made for a very interesting day. Despite mother nature we had a good match, everyone had lots of fun.

We will shoot PRS targets all the way to 1000 yards for those interested in trying them. Thanks to everyone for joining us.

Thanks again

Jim
